

KINDNESS

Village School Theme Song
2011 - 2012

Show a smile to passersby

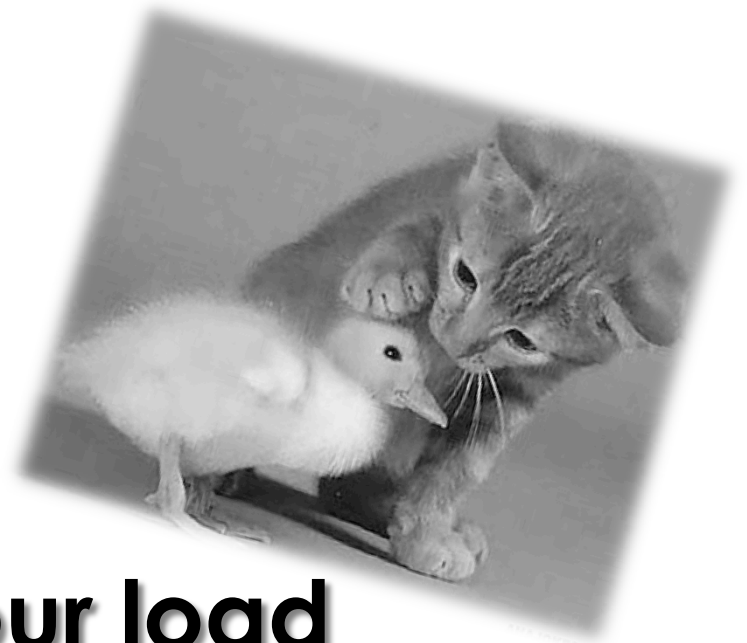

Hold a hand when someone cries

Thank a thoughtful person's deed

Hug a friend whose heart's in need

BYKOTA is God's special way
Shown at Village School each day
Be kind to one another here
Spread His light, show He is near

I will help you with your load

Please and thank you are my code

You may go ahead of me

I will share and patient be

BYKOTA is God's special way
Shown at Village School each day
Be kind to one another here
Spread His light, show He is near

BYKOTA is God's special way
Shown at Village School each day
Be kind to one another here
Spread His light, show He is near

BYKOTA is God's special way
Shown at Village School each day
Be kind to one another here
Spread His light, show He is near
