

## How to Use Page 61

### "Down By the Bay"

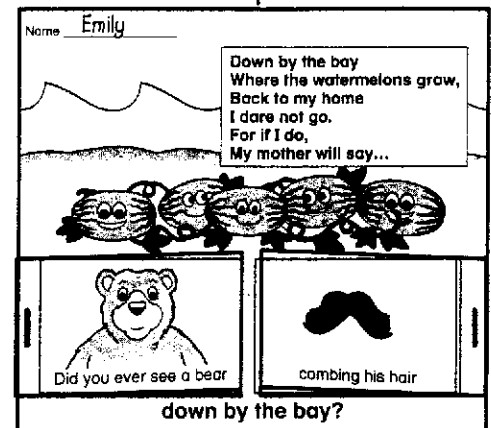

Sing the song with youngsters and then discuss the rhyming phrases in each verse. Ask youngsters to list other pairs of rhyming words that could be used in the song and record their answers on a chart. Ask each child to choose a pair of rhyming words to use in her booklet. Then help youngsters follow the directions below to complete the song-stretcher activity.

1. Write a rhyming phrase on the lines provided to complete the sentence on the backing page. Then illustrate each part of the phrase in the space provided.
2. Color and cut out the backing sheet and booklet pages.
3. Stack the left-hand pages in order and staple them together onto the backing sheet in the space provided.
4. Stack the right-hand pages in order and staple them together onto the backing sheet in the space provided.
5. Sing the song again as you turn corresponding booklet pages.

## Materials for Each Student
