

Apple Art

The Apple Tree
cycle

Make a large apple
shaped chart with
these instructions —→

You will need:

- * 12"x18" construction
- * 4"x1" brown construction
for tree trunks
(4 per child)
- * brown crayon
- * pink green, red, orange,
yellow tempera paint
- * carrot slices
- * sponge pieces for
each color of paint

That is
my life
cycle

1. Glue 4 pieces of brown paper on your paper to make tree trunks
2. Use a brown crayon and draw branches on the first tree for winter.
3. Sponge pink paint on the second tree for spring.
4. Sponge green paint on the third tree and print red apples with a piece of carrot for summer.
5. Sponge red, yellow, and orange paint on the last tree for fall.
